They cannot buy lunch from the café after 9:45 AM. Our lunch list gets turned in at 9:45 AM every morning to give our café staff enough time to prepare for lunch.** If you forget lunch, we will supply the lunch menu item for an additional cost. This fee must be paid the same day lunch is provided or will be charged to your membership account. If you choose to buy on a field trip day, the Café will pack your child a portable lunch. We are not able to microwave any packed food. If you choose to pack a lunch, it will not be refrigerated. Your child will be responsible for their lunch bag/box.

2. **Snack:** Snacks are provided free of charge to full day participants. If you choose to allow your school-age child to purchase a snack from the Café, you must designate the snack your child can purchase when signing in and whether it will be paid for with Virtual Gift Card (VGC) or credit card on file (COF). We do not accept cash for snacks. Parental Input- The licensee should appropriately involve parents of children in care in visiting the program, meeting with the staff and receiving reports of their children's progress. The program must have a procedure for allowing you to give input and make suggestions, but it is up to the program to decide whether they will be implemented.

Meeting with Parents- In group childcare programs, the licensee shall assure that the administrator or his/her designee meets with the parent/guardian(s) prior to admitting a child to the program. The parents shall have an opportunity to visit the program's classrooms at the time of the meeting or prior to the enrollment of the child. You must have access to the record within two business days of your request unless you consent to a longer time. You must be allowed to view your child's entire record, even if it is maintained in more than one location. The center must have procedures governing access to, duplication of, and dissemination of children's records, and must maintain a permanent, written log in each child's record which identifies anyone who has had access to the record or who has received any information from the record.

If you have a conference with the licensee, the licensee must inform you in writing within one week of his decision regarding your objections. If the licensee decides in your favor, he must immediately take the steps necessary to put the decision into effect.
